## Retail Sales Posts Only

### Availability Information

Our Newlife stores open for long hours, with our biggest store, the Newlife SuperStore opening for around 75 hours per week. In order to maintain optimum staffing levels we need to understand the availability of candidates that are applying for our retail based roles. This is because we offer 'regular contracted' hours (those you work on a regular basis each week) but we also require staff to work additional hours to cover holidays and absences.

Our store opening hours are shown in the tables below. Referring to the job advert which shows the 'regular contracted' hours we are recruiting for and considering other days and time you could work outside of this, please tick next to the shifts where you are available.

Please note:

1) We only close four days per year (Easter Sunday, Christmas Day, Boxing Day and New Years Day).  
2) With the exception of the above we open on all Bank Holidays and if these days fall on your normal contracted day to work, you will be required to work (unless you book annual leave in accordance with the company policy).

3) The start/finish time of some shifts may vary to the opening hours shown, so please consider this when applying. For example some daytime shifts have a start time of 8am or 8:30am to help prepare the store for opening at 9:30am (please see the advert for the shifts you are applying for).
