Post Summary:

Newlife receives donations of fashion from major retailers in the UK and Europe. Many of these products are in our premium 'gold and silver' range. These require an extra level of detailed preparation, unpicking and removing certain branding, before we can send them to our retail stores.

This work is now to be carried out in a new location/operation and will be a mainly seated operation. The location space is a pleasant air conditioned/heated environment. You will need excellent dexterity and ability to work carefully and in fine detail, to remove branding without damaging fabrics. Experience of working with fabrics, sewing, etc. would be very useful, but not essential.

The demand for this stock is high, so if you like to be busy and want great job satisfaction, this may well be

just the job for you.

If you feel you have the 'Essential Requirements', shown below, please apply.

Essential Requirements:

- Personal skills or employment experience, in handling fine and detailed products to a high standard, using precise hand dexterity.
- The ability to learn and apply training and to work from a set of instructions based on what each brand requires.
- Good communication skills.
- Reasonable numeracy and literacy skills.
- Motivation and ability to work on your own initiative, but also be able to work as part of a team.
- A good work ethic and great attitude to work.
- The ability to move lightweight products to work on, and roll a stock cage, as required. You will be given training on this.

Desirable Requirements:

- Previous experience in using commercial sewing machines/embroidery machine or heat transfer work.

Primary Responsibilities:

In respect of Newlife you will have responsibility for:

- Removing all branding on items in line with donor requirements/instructions and training.
- Removal of intricate garment details such as external branding or over locking.
- Attaching price tickets/stickers, in relevant size, to items in line with company procedures and training.
- Tidily hanging garments on appropriate hangers and hanging on relevant rail.
- Working quickly and efficiently to hit group/team targets.
- Keeping your workstation clean, tidy and safe.
- Safely moving stock and roll cages as required, in order to support the processing.

Additional Responsibilities / Expectations:

- Work in accordance with all internal policies and procedures.
- Adhere to all Health and Safety policies and procedures and use all equipment in a safe and appropriate manner.
- Willingness to work in line with our values.
- Ability to build good appropriate relationships with people at all levels while maintaining confidentiality and respect of your colleagues.
- Any other duties as required from time to time.

Notes:

All offers of employment will be made subject to satisfactory references being received.

All Newlife roles are subject to a 6 months probationary period.

Our Values:

- Always compassionate and deserving of trust - in all we do.
- Making things happen - for those we serve.
- Leading in our field - to make things better
- People at our heart-every day
