Post Summary:

Are you an experienced target driven fundraiser looking for a challenge to make a real difference? Want to feel that every pound raised is going to help change lives? This is the sort of person we are looking for to bring in funds and raise awareness in the county of Yorkshire.

We need someone who can crucially bring great skills to the team and who is able to bring in funds from working with volunteers, clubs and groups etc. On a day to day basis you will continue to build and grow

relationships with existing donors/supporters and you will contact, engage and build new relationships that will support our fundraising target.

Newlife is known for its integrity and transparency in fundraising, so we require a minimum 2:1 ROI in all of our income generation work. We have a great USP that supports this, in that we can offer the chance to donors to restrict 100% of their gift to help children get vital equipment. They can even restrict it to be spent in a county of their choice. We give super feedback about how supporter's gifts have been spent.

If you feel you have the essential (must have) requirements and can also demonstrate a significant number of points from the desired (could have) requirements shown, please apply.

Essential Requirements:

- All round experience in Community Fundraising - you may have a specialism too, but we need someone who can offer a wide range of proven fundraising skills – an 'all rounder'.
- Experience in the recruitment and engagement of existing and new supporters / donors.
- Experience in recruiting and supervising volunteers to support fundraising activities
- Great communication skills and be a 'people person', with confidence to present to groups, both small and large.
- Experience in meeting targets and deadlines
- Good planning and project achievement skills
- Motivation and ability to work on your own initiative, but also play your part in the overall fundraising team.
- A 'can do' attitude and dedication to achieve.
- Flexibility to work additional hours where needed, which in fundraising can include evenings, Bank Holidays and weekends. Flexible to travel to the Cannock HO as needed
- Proven initiative to spot fundraising opportunities and asks and to develop these opportunities.
- Great IT skills with experience in all Microsoft Office packages and use of the internet with decent speed internet access at home
- Full (relatively clean) driving license and access to a car
- Excellent numeracy and literacy abilities to support your day to day work
- Great organisational and administrative skills in order to manage your own diary and keep up to date records.
- A passion to see your skills and experience change lives.

Please note -we do NOT require skills in making applications to trusts as Newlife has a separate function/dept. that manages this.

Desirable Requirements:

- Some training and/or exposure in working with media and PR
- Experience in using Raisers Edge database or other applicable fundraising relationship database - a real advantage
- An existing contact base that you may be able to build upon.
